From the Youth Pastor, Derrick Drake:

“The winning attitude”

Have you ever had a day where nothing really goes wrong, but for some reason you still had the feeling that you were a failure for the day. This seems to be a problem each and every Christian deals with, and the problems are from within. The devil is good at playing mind games with us, and we have the power to overcome these feelings of failure.

Ephesians 6:10-12 declares, “A final word: Be strong the Lord’s mighty power. Put on all of God’s armor so that you will be able to stand firm against all strategies and tricks of the devil. For we are not fighting against people made of flesh and blood, but against the evil rulers and authorities of the unseen world, against those mighty powers of darkness who rule this world, and against wicked spirits in the heavenly realms.”

The power we have from God living inside of us is enough to overtake any thought, temptation, or trial the devil can throw our way. The devil is prowling around like a lion, looking for something to devour. As a child of the King we have a choice to make, to live with the winning attitude, or to walk around with our heads down in defeat. I believe the question for you today is, do you have the winning attitude?

Have a Blessed week!
